

The image displays the Agendrix scheduling software interface. On the left is a mobile app view for the month of September, showing individual shift cards for employees like Emma Dion and Sarah Roy. On the right is a desktop view showing a grid of employee schedules for the week of September 18-21, 2023. The desktop view includes a sidebar with filters for Location (Montreal) and Positions (Cashier, Clerk), and a main grid with columns for each day and rows for each employee. Shifts are represented by colored bars with details like time, location, and duration.

The screenshot displays the Agendrix software interface for employee Clara Garcia. The interface includes a sidebar with navigation icons, a profile card for Clara Garcia (invited on Feb. 4, 2020), and a primary location of Montreal (PIN: 11450). The main area shows a timesheet for the period Aug. 1 - Aug. 14, 2023. A table lists dates, schedules, clocked hours, and subtotals. A detailed view for Tue. Aug. 2 shows a schedule of 10:00a - 05:00p with a 30m break, resulting in 0:00 clocked hours. A 'Time off' section shows 12.30 hours of vacation and 6.30 hours of summer hours. The total for the period is 65:00.
